# REPORT OF THE BOARD OF EDUCATION

OF THE

## TOWN OF ROLLINSFORD

For the Year Ending February 15th, 1908

---

It seems unnecessary for your committee to make any extended report in regard to our schools, for all who are connected with or in any way interested in them, must feel that they are in a very satisfactory condition and fully up to the standard which we have tried to maintain in the past. Believing it to be good policy to retain those teachers who have been earnest and faithful in their work, who have kept their pupils under good discipline, we have made but little change in our teaching force. We now have nine schools, one less than one year ago. The schools of the 2nd and 3rd, the 4th and 5th grades are quite large, but not too overcrowded to do good work.

The list of teachers is as follows :

8th and 9th Grades,	Miss Annia Sullivan.
6th and 7th      “	Miss Helen B. Tighe.
4th and 5th     “	Miss Ethel M. Hadley.
2d and 3d       “	Miss Florence Philpott.
Kindergarten	
1st Grade,	Miss Sarah Hodgman.
Sullivan School,	Mrs. Etta W. Goodwin.
Quamphegan	
School,	Miss Isabel T. L. Spaulding.
Turnpike School,	Miss Ruth M. Roberts.
Pear Yard School,	Miss Grace Lawlor.

We have continued the same method in caring for our advanced pupils as that of one year ago, paying tuition and transportation of those attending Dover High school and tuition and books are furnished those attending Berwick Academy. While we certainly believe it best to continue to graduation those who are now attending the school at Dover, what to do with the coming graduates is an open question and should be decided at the coming school meeting.

We have had quite a number of pupils enter our schools from cities and towns of most of the New England states, and invariably find that of equal grades our pupils compare favorably, if not a little in advance of any who have come among us. We certainly congratulate Parent, Teacher, and Pupil, for the good work accomplished.
